

AMEER HAMZA

FullStack Web Developer (MERN)

Malikhamzahamza598@gmail.com | +92 315 5265707 | github.com/AmeerHamzaDev12 | linkedin.com/in/ameerhamza101

PROFESSIONAL SUMMARY

BS Software Engineering student and FullStack Developer with practical MERN stack experience. Skilled in scalable application design, secure authentication, and UX optimization. Completed internship at TriTechTeal Technologies, contributing to production-level projects and CI/CD pipelines.

TECHNICAL SKILLS

Languages	JavaScript (ES6+), TypeScript, Java, C++, C#, Python
Frontend	React.js, Next.js, Tailwind CSS, UI/UX Figma
Backend/APIs	Node.js, Express.js, REST APIs, Prisma, Stripe, Postman, JWT
Databases	MongoDB, PostgreSQL, MySQL, Schema
DevOps/Tools	Git/GitHub, GitHub Actions, CI/CD
Practices	OOP, Data Structures, Software Architecture Design, Agile

PROFESSIONAL EXPERIENCE

MERN Stack Developer Intern | TriTechTeal Technologies, Islamabad | 2 months

- Built and maintained backend services and REST APIs using Node.js and Express.
- Implemented JWT-based authentication for secure login and data protection.
- Debugged, tested, and optimized application performance with senior developers.
- Assisted in setting up GitHub Actions CI/CD pipelines; gained exposure to agile workflows.

PROJECTS

Smart Recovery System: Predictive analytics platform for crypto traders to forecast ETH/BTC price movements and recover from account liquidation with data-driven risk management strategies.

Merza Car Website Backend: Node.js/Express backend with authentication and data management for a production automotive buy/sell platform serving a Dubai-based car showroom.

chotainvestor.pk (Ongoing): Platform guiding Pakistani middle-class users on real estate and stock exchange investment strategies.

Al-Qaim Real Estate Management: Full MERN stack app for a real estate office handling property payments and generating real-time receipts.

Hotel Management System: UI/UX design project using Figma — user-friendly booking and management interface applying best-practice design principles.
